

PEB Career Series: Research at the NIH NIBIB

Short research talks and Q&A session with three investigators from the NIH
National Institute of Biomedical Imaging and Bioengineering

Zoom Link: <https://yale.zoom.us/j/99027415570>

Alex Cartagena-Rivera, PhD

Investigator (Tenure-Track)
Section on Mechanobiology

PhD in Mechanical Engineering

Kaitlyn Sadtler, PhD

Investigator (Tenure-Track)
Section on Immunoengineering

PhD in Cellular and Molecular Medicine

Hari Shroff, PhD

Investigator
Laboratory of High Resolution Optical Imaging

PhD in Biophysics

Thursday, March 18, 2021, 12-1PM

Yale's Integrated Graduate Program In
PHYSICAL and **ENGINEERING BIOLOGY**

Convergent Graduate Training in Engineering, Physics, and Biology (T32EB019941)
